

Time To Change Financial Exercise 1 – Assets and Liabilities

Complete the table below, listing your assets and liabilities, finally calculating your financial position. If your currency is not the £, use your local currency
Use estimates where you cannot obtain actual figures

Asset <i>e.g. house, car, savings & investments, bank balance (if in credit), sums owed to you</i>	Value (£)	Liability <i>Mortgage, finance or bank loans, bank balance (if in debit), sums owed by you</i>	Value (£)

Total sum of assets	
Total sum of liabilities	
Financial position (assets minus liabilities)
